Umang Mehta

Sr. Operations Manager at Genea. We are hiring! NodeJS | React | AWS Cloud | IoT | QAT | System Admin
Ahmedabad, Gujarat, India

Summary

Our team at Genea has benefited from my expertise in streamlining operations and human resource management since I joined as a Sr Operations Manager in September 2022, building on 1.5+ years of transformative work here and 3+ years as Regional Manager at Aanvii Hearing Solutions Pvt. Ltd. With a solid foundation in computer software engineering, my role involves leveraging technology to strengthen our team in India, ensuring our mission aligns with delivering cutting-edge solutions. The core competencies I bring to the table include operational excellence, technical acumen, and a strategic mindset, all driven by a commitment to innovation and efficiency. At Genea, we are dedicated to pushing boundaries and delivering results that resonate with our core values and goals.
